## STERLING

Laureate AUG. 5, 1968

### WHY STERLING?

Sterling or solid silver is a precious metal that lasts forever. Centuries of women have presided proudly over tables set with sterling. There has never been — and is not today — any substitute for its presence on your table.

Sterling is unmistakable; it has a depth, a color, a patina that nothing can successfully imitate. It adjusts instantly to temperature changes. It does not give off substances which affect the taste of or stain foods. Sterling gives the impression of warmth and sensuous softness, which is more appropriate even than gold or platinum for the subtle elegance of fine tableware.

### CHOOSING YOUR PATTERN

Selecting your sterling pattern is an exciting and important step in every girl's life. It's exciting because it means you'll be shopping, perhaps for the first time, for your very own home. It's important because starting your sterling service is a wise and thoughtful investment for the future. Remember, you can use your sterling every day — for the rest of your life — so it should be a pattern you truly love — one that best expresses your personality.

You will find pictured here a complete range of beautiful patterns to please every taste. Study them and choose the pattern that is perfect for you.

### HOW TO BUY YOUR STERLING

Happily there is no need to be half a hostess when there is a Towle sterling service to fit every situation. Choose one of the ten sterling services featured inside that best fits your needs. Most stores have a Silver Club Plan or other time payment plans that allow you to take your silver home the same day and pay for it later. Today more and more brides are starting their married life with a Towle sterling service, thanks to the bride's parents. It's a wonderful old tradition for the bride's parents to give their daughter her sterling. There is no greater privilege for parents and nothing more deserving of a daughter's thanks.

For a lifetime of gracious entertaining, start with a set of sterling in the Towle pattern of your choice.
